

Upcoming Caritas Christi Construction Projects

- Seven projects on six sites in the Caritas Christi system
 - \$100M project resulting in 117,000 sf of hospital space
- Creating new jobs in areas with the highest unemployment in the Commonwealth
 - 110 design, engineering and consulting jobs
 - 500 construction jobs
 - 500 new jobs from Hospital projects
 - Related stimulus jobs: 3,757
 - Total potential new jobs: 4,367
 - Increasing the size of our overcrowded EDs (originally built between 1954 and 1972)
 - 60% of all inpatients come through the ED
 - 103 ED treatment bays serving 150,000 patients per year (an increase of 22 bays)
 - Modernizing ORs in 2 of our poorest communities to ensure that we can continue to care for our patients where they live
 - 6 ORs handling 18,000 cases per year
 - Modernizing radiation therapy so that our patients can have access to a full continuum of oncology care with seamless connection among their primary care provider, their medical oncologist, their surgeon and their radiation oncologist.
